DAY PACKAGE

Troyes, European capital of stained glass

from
€48
/pers.

Discover the exceptional wealth that the master glassmakers bequeathed to Troyes and Champagne over the centuries. No other region offers both such quality and such density! With 9,000 m² of listed glasswork, including 1,500 m² for Troyes Cathedral alone, the Aube department is the richest representative of this artistic production in France!

10:00 / Reception at Troyes La Champagne Tourisme. Screening of the film "The secrets of Troyes La Champagne" (EN / FR)

10:30 / Guided tour of the historic heart:

from the cathedral to the Church of St Madeleine via the Church of St Pantaléon, your guide speaker will show you, in situ, the history of stained glass from the Middle Ages to the present day.

OR guided tour "Troyes the magnificent"

12:00 / **Lunch** in a restaurant in the heart of town

14:30 / Guided tour of the Cité du Vitrail

a 3,000 m² interpretation centre. You'll discover the exceptional riches of stained glass in all its dimensions: historical, technical, aesthetic... The many masterpieces, both ancient and contemporary, placed at eye level help you apprehend "up close" the stylistic evolution from the Middle Ages to the present day.

DAY PACKAGE

Mixing traditions and know-how

from
€46
/pers.

Of all the cities in France which have preserved quality wooden buildings, Troyes is certainly the one with the most dense, most homogeneous and the best preserved or best restored heritage! After almost disappearing, this incredible collection of half-timbered houses in variegated colours inherited from the Middle Ages and Renaissance and restored by the master carpenters of Aube, is now the pride of this city of Champagne.

10:00 / **Reception** at Troyes La Champagne Tourisme. Screening of the film "The secrets of Troyes La Champagne" (EN / FR)

10:30 / Guided tour of the historic heart

Discover the magnificent "identical" restorations and constructions carried out mainly by the Compagnons du Devoir et Maîtres Charpentier (Guild of Master Carpenters). From Rue Emile Zola to Ruelle des Chats via the Cour du Mortier d'Or, your guide speaker will introduce you to the changes in structures and decoration that characterise these half-timbered houses.

OR guided tour "Troyes the magnificent"

12:00 / **Lunch** in a restaurant in the heart of town

14:30 / **Guided tour of the Maison de l'Outil et de la Pensée Ouvrière** (Mopo). Awarded in 1966 by the city of Troyes to the Compagnons du Devoir et du Tour de France (organisation of craftsmen and artisans), the Hôtel de Mauroy has since 1969 housed the collections of tools and books bequeathed by Jesuit priest Paul Feller. Mopo presents a unique collection of 12,000 hand-crafting tools from the 17th, 18th and 19th centuries, all wonderfully displayed.
